## Clockwork Solutions' Growth Spurs New Office in Virginia

*Austin, TX*

Clockwork Solutions, Inc. is pleased to announce the addition of a project support office in Stafford, Virginia. Clockwork Solutions strives for excellent service for our customers, and expanded to better accommodate our long-standing presence in the Washington D.C. area and the Northeast corner of the United States.

Our office is located in the General Woods Office Complex on Garrisonville Road. This area features scenic views of this historic town. Expansion will continue for 2010 to support our growth in the defense and energy industries. If you are interested in joining our team in Stafford, you can visit our careers page in the Company Information section of our website.

"We are excited and very proud to provide localized support to the operational mission of the United States Marine Corp. Our team is working hard, together with Systems Command and platform specific Program Managers, to uncover opportunities to increase vehicle operational hours at significant reductions in logistical footprint and life cycle costs," stated Sean Connors, President of Clockwork Solutions, Inc.

### **About Clockwork Solutions** ([www.clockwork-solutions.com](http://www.clockwork-solutions.com))

Clockwork Solutions develops and provides advanced availability and life cycle performance modeling and simulation technologies and conducts modeling support and consulting services. Clockwork is proud of the work it is doing across the defense services to improve supportability of systems through performance based modeling and forecasting.

Clockwork Solutions' proprietary modeling technology, SPAR™, uses unique Monte Carlo algorithms to build comprehensive, reliability-based predictive models of complex assets and their operational and logistical environments, such as a fleet of aircrafts, missile systems, a power plant and its distribution system, a group of chemical plants, etc.

Clockwork Solutions' customers include the US Army, the US Marine Corps, JPO MRAP, Lockheed Martin, Raytheon, EADS Astrium, the Israeli Defense Forces, GE Aircraft Engines, Chevron, ConocoPhillips, and many others. Clockwork Solutions, Inc. is headquartered in Austin, TX.
