

## Life Cycle Analytics Firm, Clockwork Solutions, Inc. Acquired By Teakwood Capital

*Dallas, TX*

On 31 May 2011, Teakwood Capital acquired Clockwork Solutions, Inc. from the holding company Formula Vision Technologies (TASE: FVT). Teakwood identified Clockwork as an organization with unequalled capability in its field, growing market recognition, and solid business discipline producing impressive earnings and growth.

Teakwood recognized Clockwork Solutions Inc. as the leading provider of total-life-cycle performance prediction and risk management solutions for asset-intensive major industrial companies, OEMS, military organizations and other government agencies.

With this acquisition Teakwood Capital intends to strengthen the market value of Clockwork Solutions, Inc. in several ways:

- 1) Clockwork Solutions Inc. will now be a fully U.S. owned small business. This will allow Clockwork to broaden its services to its esteemed U.S. Defense clients.
- 2) Clockwork will be investing significantly in customer driven product and user experience improvements.
- 3) Clockwork will be expanding its value offering to serve a budding broader commercial market as well as international defense markets.

News Release by Teakwood [www.prweb.com/releases/2011/6/prweb8496760.htm](http://www.prweb.com/releases/2011/6/prweb8496760.htm)

### **About Teakwood Capital** ( [www.teakwoodcapital.com](http://www.teakwoodcapital.com) )

Teakwood Capital is a Dallas, Texas private equity firm that specializes in providing the resources and experience to support management teams in buying and building industry leading companies. Teakwood invests equity capital primarily in businesses with under \$3.0 million of EBITDA and typically in technology enabled business-to-business companies. The firm invests private equity capital from a network of successful Texas operating executives, entrepreneurs and investors.

### **About Clockwork Solutions** ( [www.clockwork-solutions.com](http://www.clockwork-solutions.com) )

Clockwork Solutions develops and provides advanced availability and life cycle performance modeling and simulation technologies and conducts modeling support and consulting services. Clockwork is proud of the work it is doing across the defense services to improve supportability of systems through performance based modeling and forecasting.

Clockwork Solutions' proprietary modeling technology, SPAR™, uses unique fleet/system discrete event simulations to build comprehensive, reliability-based predictive models of complex assets and their operational and logistical environments, such as a fleet of aircrafts, missile systems, a power plant and its distribution system, a group of chemical plants, etc.

Clockwork Solutions' customers include the US Army, the US Marine Corps, JPO MRAP, Lockheed Martin, Raytheon, EADS Astrium, the Israeli Defense Forces, GE Aircraft Engines, Chevron, ConocoPhillips, and many others. Clockwork Solutions, Inc. is headquartered in Austin, TX.
