

## **Effective Performance-Based Metrics Technology Workshop**

*Austin, TX*

Clockwork Solutions will exhibit and present at the WBR Performance Based Logistics conference in Arlington, VA. The PBL brings together industry leaders and decision makers in a synergistic environment to learn and discuss innovative PBL Implementation strategies to optimize mission performance and readiness. Clockwork Solutions in partnership with Claxton Logistics Inc. will present a comprehensive discussion and case study over 'mitigating risk through the application of service cost and availability forecasting'. The discussion will be presented by Mr. Patrick Connally, Director, Clockwork Solutions and will cover topics in modeling and simulation as a PBL decision support instrument. The case study presented by Mr. Ray Johnson will highlight effective performance based metrics in support of the Joint Program Office for MRAP.

We hope to see you at this exciting and informative event. Private workshop sessions are being scheduled to accommodate the interested parties that are unable to attend this event.

### ***Technology Workshop C***

Date: Monday, July 14, 2008

Time: 3:15- 4:00pm

Where: Hilton Crystal City, Arlington, VA

### **About Clockwork Solutions** ([www.clockwork-solutions.com](http://www.clockwork-solutions.com))

Clockwork Solutions develops and markets advanced availability and life cycle performance modeling and simulation products and provides modeling support and consulting services. Clockwork is proud of the work it is doing across the defense services to improve supportability of systems through performance based modeling and forecasting.

Clockwork Solutions' proprietary modeling technology, SPAR™, uses unique Monte Carlo algorithms to build comprehensive, reliability-based predictive models of complex assets and their operational and logistical environments, such as a fleet of aircrafts, missile systems, a power plant and its distribution system, a group of chemical plants, etc.

Clockwork Solutions' customers include the US Army, the US Marine Corps, Lockheed Martin, Raytheon, EADS Astrium, the Israeli Defense Forces, GE Aircraft Engines, Chevron, ConocoPhillips, and many others. Clockwork Solutions, Inc. is headquartered in Austin, TX, with and is owned by Formula Vision (TASE: FVT).
