

Clockwork Solutions Awarded GSA Contract

*Austin,
Texas, USA*

Clockwork Solutions is proud to announce the Award of our [GSA IT Schedule Contract](#). Government and industry leaders will now have the opportunity to quickly and cost effectively obtain Clockwork Solutions consulting services and technologies. This contract will provide access services and technology supporting life cycle risk prediction and the development and testing of advanced concepts for Performance Based Logistics (PBL) support. The push for PBL in today's world is unprecedented. The need for effective planning requires comprehensive decision support capabilities and Clockwork Solutions has invested a great deal of resources to prepare for this growing need. The GSA schedule will now allow for rapid access to these very valuable services. <http://www.clockwork-solutions.com/app-performance-based.shtml>

[About SPAR™](#)

[About Clockwork Solutions](#)

Clockwork Solutions develops and markets advanced performance based modeling and simulation products and provides modeling support and consulting services. Clockwork is proud of the work it is doing across the defense services to improve supportability of systems through performance based modeling and forecasting. Clockwork Solutions' proprietary modeling technology, SPAR™, uses unique Monte Carlo algorithms to build comprehensive, reliability-based predictive models of complex assets and their operational and logistical environments, such as a fleet of aircrafts, missile systems, a power plant and its distribution system, a group of chemical plants, etc. Clockwork Solutions' customers include the US Army, Lockheed Martin, Raytheon, EADS Astrium, the Israeli Defense Forces, GE, Chevron, Conoco Philips, and many others. Clockwork Solutions, Inc. is headquartered in Austin, TX, with an R&D center and International operation headquarters in Israel. Clockwork Solutions is owned by the Formula Group (NASDAQ: FORTY).
